AUTHORIZATION TO SIGN 2011 ING NEW YORK CITY MARATHON APPLICATION/WAIVER

It is important that you read, sign, date and return this document to your ITP. This is part of the application process to be completed, which includes the WAIVER set forth below.

"By signing this letter, you authorize the ITP, **Rogaland Marathon Tour** - from whom you purchased your 2011 ING New York City Marathon package to act on your behalf to complete and sign your 2011 ING New York City Marathon application and the following WAIVER."

2011 ING New York City Marathon® Waiver

I know that participating in the ING New York City Marathon® (the "Marathon") and/or the Continental Airlines International Friendship Run, and related events and activities (collectively the "Events") is a potentially hazardous activity. I agree not to enter and participate unless I am medically able and properly trained. I agree to abide by any decision of a race official relative to my ability to safely complete the Events. I am voluntarily entering and assuming all risks associated with participating in the Events including, but not limited to, falls, contact with vehicles, other participants, spectators or others, the effect of weather, including high heat, extreme cold, and/or humidity, traffic and the conditions of the road, all such risks being known and appreciated by me. I grant to the Medical Director of the Events and his designee access to my medical records and physicians, as well as any other information, relating to medical care that may be administered to me in the State of New York (USA) as a result of my participation in the Events. Having read this waiver and knowing these facts, and in consideration of your accepting my application, I, for myself and anyone entitled to act on my behalf, waive and release the Road Runners Club of America, New York Road Runners, Inc., the City of New York and its agencies and officials, USA Track & Field and its constituent chapters, all Sponsors of the Events and each of the respective representatives and successors, officers, directors, members, agents and employees of the foregoing, from all present and future claims or liabilities of any kind, known or unknown, arising out of my participation in the Events even though that liability may arise out of ordinary negligence or fault on the part of the persons named in this Waiver.

Permission to Use Record of Participation

I grant my permission to all of the foregoing persons and entities to use or authorize others to use photographs, motion pictures, recordings, or any other record of my participation in the Events for any legitimate purpose without remuneration.

Rules and Regulations

ING New York City Marathon is organized and conducted under USA Track & Field rules and regulations. Entrants must also comply with New York Road Runners (NYRR) rules and all applicable rules and regulations of the City of New York, its agencies and departments, including the Department of Parks & Recreation. No skates, strollers, or animals are permitted in the Marathon. The use of headphones is strongly discouraged. NYRR reserves the right to reject any entry and to disqualify and bar any individual from the Marathon. This rejection/disqualification may be based on, but is not limited to: violation of the aforementioned rules; unsportsmanlike conduct; non-payment of race fees; competing with an unofficial number; competing with an official number or chip assigned to another person; transferring or attempting to transfer an official number or chip to, or to obtain such number or chip from, another person; being paced during the race by a person not entered in the Marathon; crossing the finish line without having completed the entire course; and providing false information on the race entry form. Individuals disqualified from the Marathon will be removed from the race results and may be barred from future Marathons and other NYRR events. NYRR reserves the right to change the details of the race.
